

**NOW AVAILABLE**

# Try a simpler way to pay

Keeping a **card on file** with us offers the same convenience and security as storing your card with services like Netflix and Amazon, with added protections like HIPAA compliance.

Enjoy quick, secure, and hassle-free transactions, with the assurance that we'll request your permission before processing any charges.

## Benefits of storing your card

### **Faster check-out**

Spend less time waiting with a touchless payment process.

### **Secure transactions**

Safeguard your financial information with confidence.

### **Avoid late fees**

Prevent unnecessary charges and remembering to pay.

**Securely store your card today!**

**Our front desk can  
get you started.**
