

Practice Management Bridge®

Bridge™ Compliance

Navigating the complexities of HIPAA and OSHA requirements is a huge undertaking for any healthcare organization. Rely on Bridge Compliance - a modern and digital solution - to ensure staff are trained and following protocols, routines, and processes that keep staff, patients, and data safe.

Ensure ePHI is secure

Protect your reputation and keep patient records, including financial information, safe and confidential.

Reduce time-consuming processes

Tools for centralizing, automating and simplifying compliance management.

Avoid costly compliance gaps

Stay current on all compliance requirements and risks to avoid the financial repercussions of non-compliance.

Maintain a safe workplace

Stay up to date on current policies, training protocols, and protection plans.

OSHA Compliance

Cyber Liability Insurance

HIPAA Compliance

Harbor Dental Society is proud to partner with Rectangle Health to offer Bridge Compliance to our members.
